DETAILED ACTION

Allowable Subject matter

1. In view of Terminal Disclaimer filed on 4/29/2004 and approved on 5/17/2004, claims 18-46, 53-58 and 70-86 are allowed.

2. The following is an examiner's statements of reason for allowance :

The above mentioned claims are allowable ^{because} ~~over~~ the prior art of record does not appear to teach or render obvious the claimed limitations in combination with the specific added limitations as recited in independent claims and subsequent dependent claims. The prior art of record fails to teach or suggest method and system of producing a domain name residing in an existing hierarchy depending from a "dot" root comprising the noncompliant domain name that is obtained and converted into a format that includes only symbols from the set of allowed symbols and automatically appending a string to the converted noncompliant domain name to produce the domain name under the "dot" root wherein all steps are performed by a user device as argued by applicants [see Paper dated 1/30/2004].

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.
